Dear Western Wisconsin Workforce Development Board and Dislocated Worker Unit:

This letter is to inform you that McKesson Corporation will permanently discontinue all operations at its La Crosse distribution facility located at 3003 Airport Dr, La Crosse, WI 54603, on May 5, 2017. This decision was reached only after careful consideration and thorough analysis of the various strategic options available to the Company to better support the needs of the business.

The expected date of the first terminations is March 31, 2017, and terminations will continue thereafter until the closing. The total number of affected employees at the site is 67. None of the employees are represented by a union or have bumping rights, and employees were first informed about the facility's future closure on February 18, 2015. The job titles of the positions to be affected and the number of affected employees in each job classification can be found below my signature.

Consistent with McKesson's shared ICARE principles, all employees whose roles have been eliminated are being offered comprehensive severance benefits, including pay continuation, a period of benefits continuation, career transition services, and McKesson re-hire support.

The name and telephone number of the McKesson official to contact for further information is Pete Slone, Senior Vice President of Corporate Public Affairs, 202-638-3833.

Sincerely,

Pete Slone
Senior Vice President, Corporate Public Affairs
